

Top Eagle Garment Ltd. is an innovative manufacturer of functional clothing based in Heshan, Guangdong, China.

We work with international clients from Europe, United States and China.

For our site in Heshan, we are looking for a **PRODUCT DEVELOPER - SPORTSWEAR PERFORMANCE**.

TOP EAGLE GARMENT LTD.

YOUR RESPONSIBILITIES

- You will work in our product development department during the introductory phase and familiarize yourself with our collections
- You will work closely with our customers to develop the collection planning for the season
- You will communicate to suppliers in Asia and Europe that all technical standards are fulfilled
- You will approve bulk production
- You will be a troubleshooter in case of any problems
- You will also take part in project management

YOUR PROFILE

- You are a Garment Technician passionate about Sportswear Performance
- You have experience in product development and/ or production of fast-moving sports/fashion industries
- You have a good understanding of the processes that exist in fast moving fashion companies
- You are able to work on given timelines and prioritization
- You are able to recognize new trends of a sportswear performance brand and to translate them into the fits and outcome of products
- You have a problem-solving mind, great communication skills and you love to work within an international team
- Your strengths shine bright, in particular your assertiveness in negotiations with suppliers
- You are an enthusiastic person, who loves to be a part of a team
- You speak English fluently; Mandarin and or other language skills are definitely a plus

OUR OFFER

- A secure job in a expanding company
- Good development opportunities
- Interesting and responsible tasks
- An outstanding team culture with short communication paths
- A unique work experience in China

We offer you a unique work opportunity in the exciting world of sports apparel.

Are you interested?

Get in touch with us and submit your complete application including salary expectation and earliest possible starting date. Looking forward to hear from you!
